Mr. J. R. Fisk, W1DTY,
Editor,
Ham Radio,
Greenville, New Hampshire 03048

Dear Mr. Fisk:

We are delighted to learn that you will be able to speak at our Club meeting on January 14th at 8:00 PM. The Wellesley ARS is rather a small Club with approximately 20 members usually attending the meetings. In order to guarantee the best attendance as possible, I am planning to contact the Middlesex Amateur Radio Club in Newton to see if some of their members would like to hear you also.

I am enclosing a map showing the location of the Wellesley Hills Branch library. Our best bet would be to turn off Route 128 South on Route 9 West. The Library is located about 2 miles from Route 128 just past the traffic lights on Oakland Street. The library is located on the right just before the underpass at the junction of routes 9 and 16. Hope these directions are not too complicated.

Recently our President, Lud Fasolino, W1DRC wondered if there was any fee for your services. This was something I forgot to ask you in my original letter. Please advise. Also if the weather is as bad as it is right now, we will assume that you are not coming. Don't get yourself killed on the highway.

Yours very truly,

Walter E. Lenk K1YTY
Secretary
Wellesley Amateur Radio Society
